

We build long lasting relationships,  
through top-notch quality products  
and services.

Our technical and marketing expertise as a **TRADING COMPANY**, helps companies achieve their goals no matter how big or small.

# Who We Are

PGC Movers Trading is a Filipino-owned enterprise, established in 2016 based in Bulacan. It is a customer-focused trading firm in the field of pharmaceutical, nutrition, food and beverage manufacturing, power generation, building, and construction industries.

We take pride in building a long-lasting client relationship. By providing top-notch quality products and services, each business opportunity is served with utmost customer satisfaction. Our technical and marketing expertise helps companies achieve their goals no matter how big or small. We take a keen look to cater to all requirements at any given time of the day with a deep sense of urgency and commitment. Personalized service at its best!

PGC Movers Trading strongly believes in passion for excellence through quality and reliable products and excellent aftersales service. We are continuously developing ourselves and giving back to our clients the trust and respect they truly deserve. Rest assured, we know your money's worth, and hence we want to give you the best offer that we can.

Our MISSION is to exceed the expectation of our customers by offering reliable products and top-notch services at the earliest possible time and optimum cost.

Our VISION is to be the trusted supplier of quality certified products. With this, we commit to:

To employ agile and well-trained personnel that can follow through on our promises and commitment.  
To carefully select and deliver quality products as per customer expectations.  
To be pleasantly of genuine service all the time.

We believe that exceeding our client's and customers' expectation at every given opportunity is the only path to our mutual success and long-lasting business relations.
